

# GBC Visitation & Care Program

Visitation is a vital part of a church's ministry. We are looking for men and women, teens, couples and singles to help with this program.

## **How can you get involved?**

- Visit shut-ins
- Visit church members that live in assisted living centers
- Visit people that just need someone with whom to talk
- Call a church family once a month to see if they have prayer requests
- Help an elderly couple or someone that has been ill with yard work or housework
- Offer to baby-sit for a couple that needs some alone time

If you would like to take part in our visitation & care program, please fill out this form and return it to Abby in the church office by Sunday, June
